THE PRIESTESS EXAM DOESN'T REALLY MATTER. BUT JUST IN CASE, LETS GET PREPARED.

I've already talked to the courtiers.
Hm? It's just as I assumed but—

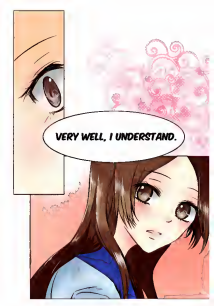
How should I report it to him? Doesn't he have to know?
No, let's just keep it to ourselves.

MISTY ROIN
'Hm'. I do have an idea who it is—
Why don't I wait and see

Evidunci, I wonder what's going on.
I can tell it is not a good situation.

Um, your highness? Isn't this cheating?

You should do something—
HELLO?! Your highness!
He's not listening at all.
Seriously I can't trust him at all.
But, whoever it is, I feel pity. That seat has an owner.
Step
Step
From what they were talking about, it could be dangerous.
I should talk to the adviser!
It could be more than just a plan. They may be after him.
MISTY ROIN
What... what?!
WHA... WHAT IS IT?! I WAS REALLY SURPR-
Pretend you didn't hear anything.
If you want to live longer.



VERY WELL, I UNDERSTAND.

Thank goodness you're not gullible.

Something to babysit?
Um... I just remembered.

Why did you say it was the shrine?
MISTY RAIN

Shun told me the 'Blue Forest' is a special place. What kind of place is it?

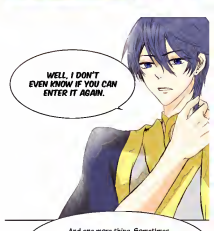
That question I asked without any thought or embarrassment but...
It made Min give me a troubled expression.

You are talking about something very important really early.

BUT YOU'RE MISTAKEN.

You will know it sooner or later, so I will tell you very clearly.

Never go to the 'Blue Forest' and the Chung Hwa Palace again.



WELL, I DON'T EVEN KNOW IF YOU CAN ENTER IT AGAIN.

And one more thing. Sometimes you will have to act as if you know nothing when you know, and pretend you didn't hear anything when you did.

It's more beneficial for you

TO LIVE IN THIS PALACE.

You asked the emperor about the 'Blue Forest'?

Yes. I didn't put much thought into it, but his expression was bad.

I felt like I said something wrong.

So I asked other people—

But they all looked away and won't answer my question.

MISTY RAIN

Well, if you aren't from around here, you wouldn't know. I don't know about it much too.

The people who really know it well are Hon Wi and my ugly brother.

But Yeo Reom, there is a reason why no one talks about it.

Reason?

If I tell you some things I know, don't go near that forest. It's true that his highness doesn't like it but also there are all sorts of weird rumors.
No one except his highness can enter it in the first place, and if anyone else goes in they will get lost.
But did his highness really say that? What else?
It's mostly just rumors.
It is strange. His highness doesn't even like talking about that place
MISTY ROAN
After I talked to Eun Hyung, it's even confusing. My head hurts.
Chung Hwa Palace, I have a feeling...
UGH! WHATEVER!
Why am I even worrying. I can't even deal with myself.
But to think of it, apparently no one can go in except his highness. Then, how did I get in?
Is it because of that blue dragon? Ugh. This is too weird.
I told you many times, and you still have no tension, or is it because you're tired.
